

HEIDI WILLS, OTR/L, CHT
Certified Hand Therapist

Heidi Wills is a Certified Hand Therapist and a Registered and Licensed Occupational Therapist with over 20 years of experience in physical rehab of the upper extremities and industrial rehab. She graduated with a Bachelor's Degree in Occupational Therapy from Western Michigan University and passed the National Board exam for Certification in Occupational Therapy in 2000.

Heidi grew up on the Great Lakes in Michigan's Upper Peninsula. Coming from a humble paper mill town, she wanted to see more of the country and found a solution in becoming a traveling hand therapist.

During Heidi's travels, she realized her love for camping, caving and rock climbing. She settled into Wyoming's industrial Northeast for a decade, working with hand, arm and shoulder trauma sustained in the coal mines, oil fields and rodeo.

Now she's rooted down between Medford and Jacksonville, with her partner and his two teenage daughters. When she's not helping people feel better, Heidi enjoys gardening, reading, raising chickens and catching up with friends and family. She still loves to travel. In addition to her stateside journeys, she has visited England, Scotland, Portugal, Spain, Canada, Guatemala and Belize. Her favorite part of traveling is spending time exploring with locals and learning regional history.
